

Emergency Cards

Children will only be released to those persons designated on the emergency card filed in the office. Please keep this card up-to-date. If you need to make alternative arrangements for your child to get home a **handwritten note must be sent to school on that morning** giving the school permission to do so. A phone call to the office is also acceptable.

Lunch

We serve nutritious meals daily; however, if your child would like to bring his/her lunch they are more than welcome.

Communication

Education is a partnership between home and school. We value parent involvement at every level and encourage you to partner with us. In order for this partnership to be effective, we need to be able to communicate: **please keep us informed of any address or phone number changes.** Feel free to call, write a note, or email us if you have concerns or questions about your child's education. We are always available to schedule a conference to discuss any issues or concerns you have regarding your child. Your time and concern are greatly valued. Please make an appointment so that there will not be any interruptions during our meeting.

Transportation

Transportation is provided at BB & C Christian Academy. The first week of school the schedule will be off until the route can be established.

We do ask that all van riders are ready and on time. The driver will only wait **three minutes** for the student to board the van. Van spaces fill up very quickly so please reserve your child's seat at once. We appreciate all the car rider parents. If any of the van rider's parents want to bring them to school—you are more than welcome; but please let the driver know.

Things You Do at Home to Help Your Child at School:

- * Read to your child and allow them to read to you.
- * Ask your child about school and take an interest in what they are learning.
- * Make sure they get enough sleep.
- * Set limits on the amount of television they watch.
- * Make sure they have enough to eat. (We have a breakfast and lunch program available).

Our team of visionary curriculum specialist, educators and child development/social specialist have developed a Christian school program that harnesses holistic instruction to what many families have attempted to do alone; instill Christian values while meeting the educational needs of the child.

3 rd	1/7 – 3/12	45 days
4 th	3/13 – 5/24	47 days

2018-2019 Total Days: 178

Behavior Expectations

We have high expectations for the students in our room. We expect the students to achieve academically to their fullest potential. We expect students to contribute in a positive manner to our classroom. We will be using the “color chart” system to help monitor these behaviors. You will receive information about

Homework Folders

Homework is assigned once a week in the homework folder. New homework will be sent home on Mondays and is due back on Thursdays of the same week. Homework is designed to be done under the supervision of an adult. Parents should interact with their child while encouraging neatness and accuracy. Homework folders need to be sent back every day. They should be sent in, even if the work is incomplete, since the folder is used as a means of communication between home and school. We want the children to develop good homework habits that they can rely upon in future years.

your child's behavior each week.

Birthdays

Birthdays are a big deal to children. Most students send in a treat for the class that they get to pass out. The treat is usually passed out during lunch time. If you are planning to send in a birthday treat, just jot us a note ahead of time and slip it in your child's folder. That way we will be ready with a birthday crown that is worn for the day.
